

IJCSES Working Group 2019 Submission Guidelines

When you submit your paper, poster or report to www.ijcses.org website, please ensure to include 'Working Group 2019' at the front of your study title. Also remember to include the submission type in your cover letter.

Submission Categories

- 1- **Full paper:** Presents the findings of an empirical study. The paper should include the study focus, key questions, methodology, literature review, discussion of the findings and conclusion. The paper should be a maximum 12 pages excluding references.
 - The paper should be written in English. You can present it in either English or Turkish.
 - Abstract should be a maximum 200 words.
 - Use abstract, research aims, literature review, methodology, findings and conclusion sections to organise your paper.
 - Include 3-6 key words.
 - Use the 'Times New Roman' font style and 12 font size.
 - In your cover letter write about the context of your study and what makes it original.
 - Use the APA referencing style.

- 2- **Poster:** You can create a poster to share a completed or ongoing research project. Poster submission should include the research focus, methodology and findings & discussions if possible. Poster submission should be between 2-6 pages long.
 - Poster submission should be in English.
 - Poster owners are responsible from creating and printing their own poster presentations.
 - Poster owners should be at their poster stands during their allocated presentation time to provide information for the audience.
 - Poster submission should include flowing headings:
 - Abstract
 - Key words
 - Introduction
 - Methodology
 - Findings and discussions
 - References

- 3- **Short practitioners' research report:** This report is for educators to share the important points from their classroom investigation. The report should be a maximum 2000 words excluding references.
 - Reports should be written in English.
 - The abstract should be a maximum 200 words.
 - The report should include the aims, methodology, findings and conclusion headings.
 - The report should have 3-6 key words.
 - 'Times New Roman' font style and 12 font size should be used.
 - Cover page should include information about the report contexts.
 - APA referencing style should be used for references.
